

ORIGINAL BYLAWS OF THE FORTUNA TIERRA CLUB

The Log hill Ladies met in 1970 to discuss organization of a club in the area. We voted to elect a President and Secretary. Meetings are to be held with one co-hostess.

The first Tuesday of each month was selected as our meeting date, with the exception of election months.

Dues were set at ten cents a month. (Dues are now \$15 annually). We decided to add a Vice President and a Treasurer to our slate of officers.

The secretary will be responsible for the pictures and clippings of the meeting being posted in the yearbook. Also new member's history to be kept up to date.

The door prize is to be of an inexpensive nature either made or purchased, but not to become a burden for the hostess.

A copy of the Bylaws is to part of our program book for the year. Also a list of membership with names, addresses, birthdays, and anniversaries.

Craft meetings are to be held on the third Tuesday voted on at our regular meetings. (These have been discontinued).

Members and husbands will receive plants as gifts for hospitalization, cards for illness not requiring hospitalization. Gifts for member's children's marriages will be a \$10 gift certificate and birth of children and grandchildren an engraved spoon.

Each March a flower is presented to each member of the Golden Age group.

The hostess will serve light refreshments and hold drawings for a door prize.

In 1993 members voted to have potluck dinners each month.

We discussed the possibility of our group preparing a booth at the Ouray County Fair.

We later voted to name our club

FORTUNA TIERRA CLUB
DUTIES OF THE OFFICERS

PRESIDENT: It is the duty of the *President* to offer leadership and guidance by conducting the monthly meetings and assisting with all club activities.
